## Summary

---

Newly graduated in spring 2024 with a Master's in Applied Computer Science (CS) from Østfold University College. I am solution-oriented, collaboratively structured, accurate and creative, with an interest in machine learning (ML) and artificial intelligence (AI). Wants to work with machine learning, data analysis, visualization, and coding. Or as a back end developer.

## Education

---

### Østfold University College

Halden, Norway

Master's degree, Applied Computer Science

August 2022 - June 2024

- **specialization:** Machine Learning and Cyber-physical Systems
- The master's thesis that I am currently working on is about anomaly detection in networks, where we work with both binary and multi-class classification.
- **Courses:** Advanced Topics in Machine Learning, Applied Computer Science Project, Hands-On Introduction to Cyber-Physical Systems, Machine Learning, Modelling Cyber-Physical Systems, Scientific Methods in Computer Science.
- **Skills:** Debugging, Git, Python.

### Oslo Metropolitan University OsloMet

Oslo, Norway

Bachelor's degree, Applied Computer Technology

August 2019 - June 2022

- **specialization:** Health technology
- Completed the study with an A on the bachelor's thesis
- In the bachelor's thesis, we developed a prototype of a tool for processing floor plans where the front end was built on React. Universal design was the focus of the project
- **Courses:** Assistive and welfare technologies, Computer Security, Databases, Health technology project, Human Computer Interaction, Interaction Design and Prototyping, Introduction to Artificial Intelligence, Network and System Administration, Operating Systems, Programming, Software Engineering, Software Testing, Universal Design, Visualization.
- **Skills:** Feilretting, Git, Python, Java, Javascript, HTML.

### Ås Videregående skole

Ås, Norway

High School, Supplementary programme for general university admission certification

August 2016 - June 2019

- Finished with a grade average of 4.44

### Oppegård Kvalifiseringssenter

Kolboten, Norway

Primary school adult education

August 2015 - June 2016

- Real competence assessment with training in Norwegian and English.

### Sund Folkehøgskole

Inderøy, Norway

Folk College/Folk High School, Photography

August 2012 - May 2013

- **Main subject:** Photography
- With study trip to India for one month.
- **Skills:** Adobe Photoshop, Photography.

### Ås videregående Skole

Ås, Norway

Media and Communication V1

August 2011 - June 2012

### Ås videregående Skole

Ås, Norway

Technical and Industrial Production

August 2007 - June 2011

## Experience

---

### Laiout

Oslo, Norway

Bachelor Thesis

November 2021 - August 2022

- **Skills:** Programming in JavaScript with React framework, Git, Testing, Debugging.

### Infonr AS

Oslo, Norway

Sales consultant

January 2014 - February 2014

- Telephone sale of advertising space on tv2 target.
- B2B
- **Skills:** Communication, Sales.

## Skills

---

<b>Programming</b>	Python (Pandas, NumPy, Matplotlib Scikit-learn), Java, HTML/CSS, JavaScript, React, SQL.
<b>Software</b>	Pycharm, Visual Studio Code, Jupiter, Git, LATEX (Overleaf), Microsoft Office (Excel, Word, PowerPoint).
<b>Operating system</b>	Linux (Ubuntu), Windows, Windows 11, Android.
<b>Soft skills</b>	Structured, Accurate, Analytical, Collaborative, Solution-oriented, Creative.

## Certifications

---

2024	<b>Intro to Artificial Intelligence</b> , Le Wagon.	Norway
2023	<b>LONG RANGE CERTIFICATE (LRC)</b> , Telenor Kystradio.	Norway
2023	<b>Boating license</b> , Norwegian Maritime Authority.	Norway
2023	<b>Intro to Python</b> , Le Wagon.	Norway
2022	<b>NSM grunnprinsipper for IKT sikkerhet</b> , Nasjonal sikkerhetsmyndighet.	Norway
2022	<b>DevOps Academy summer 2022 at OsloMet</b> , Eficode.	Norway
2010	<b>driving licence Category B</b> , Statens vegvesen.	Norway

## Interests

---

<b>Technology</b>	Likes to keep up to date with new technology.
<b>Learning</b>	Likes to learn new things and acquire new skills.
<b>Art</b>	Likes to visit museums and galleries to see art.
<b>Movies</b>	Likes to watch Movies, new and old, and classics. Participated in the GILDA film club at the University College in Østfold, where classic Movies are shown once a week.

## Language

---

<b>English</b>	Fluent
<b>Norwegian</b>	mother tongue
